Hi Helen,

I much prefer this version of the letters. I have no additional comments. Let me know your thoughts.

Thanks,  
Eleni

**Subject:** CWKs RES - Reformatting Chemours Sampling Offer Letter?

Good Afternoon,

I am in the process of updating the CWKs RES SOPs. One item I wanted to address with this update is reformatting the sampling offer letters and results letters. Based on feedback from Shannon and her MANY conversations with residents, I propose we move the sampling offer information or results information to the top of the letters and put the program background information at the end. Please take a look at the attached draft letter and let me know if you agree that this format may make it easier for residents to see what is being offered or the results. If we all agree, I will begin to revise the rest of the letters in the appendices. Thanks for your feedback.

Kathy
